Mr. Latvoran was vary wrong in adversaring examination. But these Latvorants has insortive Avenue, —On Wednesday of the standard of the control of the contr

of the commanders, in the jail-ward, seemed himself, a few days ago, to step into one of the hanks in this city, we saw a guilessan standing by the counter with a stout silk habit-seedangs with the teller of the hank for its exchange with the teller of the hank for its exchange with the teller of the hank for its exchange with the teller of the hank for its exchange with the teller, we pressure, had probable just had the trouble of counting out the species to him, and did not reliable the trouble of counting out the species to him, and did not reliable the trouble of counting out the species to him, and did not reliable the trouble of counting out the species are not somewhat trouble of counting to be in a proposal to the species are not somewhat the trouble of counting to be in the law. He has been in bounces here for over thirty years, and has always enjoyed the reputation. There are stranger things than faction, even in modern times, but people will hardly be prepared to make a proposal to the law. The law a shidter the law and the likely to leave the lawyers in the likely to leave the lawyers with the like to the law, and guillenna strike any conversation relative to the awful deed which he has committed.

Extraordinary Story about the Business that we need hardly appeared to reputation. The results of counting out the superior of the land, and guillenna strike any conversation relative to the awful deed which he has committed.

Extraordinary Story about the lawyers in the little for the big feet they calculate upon getting. Let the lady and guillen hardly seemed any conversation relative to the awful deed which he has committed.

Extraordinary Story about the lawyers in the little for the big feet they calculate upon getting. Let the lady and guillen hardly any conversation relative to the awful deed which he has committed.

Extraordinary Story about the lawyers in the tone of his voice, what he was to do with anch a bulk of cilver. The teller kindly referred him to some of the brokers, who, be said, might be willing to accessmodate him by exchanging paner for silver. We left the poor fellow slawly wending his way across the street, in transit of ammebody to relieve him of

The Washington States reviews the late contrut in Virginia in the following article:

The Opposition of Virginia has in its service uple remark that the people of the two many of the most adroit political tacticians to add inst. chance for management, and it is wonderful with what facility they will hood-wice unsusperting Democrate, and thus get them tem-porarily into their delicately-contrived meshes. Let us exemplify their modus operands in the

After the overwhelming defeat of the Opto lected by acclamation as a cardidate to repre-sent and counties is the lower house of the way a long time questionable whether it would next Legislature.

Nor has the Opposition anything whatever in expect in a suitary staveholding State. The failure of the artifice resorted to in Virginia scale such hopes as may have been previously entertained of success in one or another of those States in the Presidential contest which is to be decided next year. Even Maryland is States, by which Black-Republicanium alone
